Enclosure

Alma R. Noble

I was born on June 14, 1952, and have lived in Breathitt County all my life. I reside with my husband in the Oakdale community; and have never been convicted of any felonies. I have two adult children: a son who is continuing his education; and a daughter who will finish this year with a degree in Health Care Administration. My husband has served on the Breathitt County Board of Education for the past twenty (20) years; where he has been active in community activities and causes. He and I both sacrifice our time and effort to improve the county and are committed to making Breathitt County a prosperous place to live for our people. My father was a minister in Breathitt County and he had a great influence in my commitment to making my community a better place. I love Breathitt County, and would gladly serve on the Water District Board as part of this commitment.
